this writing has been inspired from extensive study and exposure of the truth revealed in scripture which conflicts with the popular theologies held broadly in modern churches specifically that held in evangelicalism concerning the nation of israel the content is so critically valuable for an accurate understanding of the treatment of the covenants and their fulfillment as they are set forth in the scriptures the thrust of the book is to prove scripturally that all of god s promises to his old testament people i e israel have been completely fulfilled there is no future kingdom to be established around the nation of israel the concepts of christian zionism originally promoted by the popular scofield reference bible are discovered to be false on many critical points of doctrine as well as prophecy the deceptions must be exposed to obtain a sound understanding of god s word and refute the subtle and dangerous tenets of christian zionism

many christians wrestle with biblical passages in which god commands the slaughter of the canaanites men women and children the issue of the morality of the biblical god is one of the major challenges for

faith today how can such texts be holy scripture in this bold and innovative book douglas earl grasps the bull by the horns and guides readers to new and unexpected ways of looking at the book of joshua drawing on insights from the early church and from modern scholarship earl argues that we have mistakenly read joshua as a straightforward historical account and have ended up with a genocidal god in contrast earl offers a theological interpretation in which the mass killing of canaanites is a deliberate use of myth to make important theological points that are still valid today christopher j h wright then offers a thoughtful response to earl s provocative views the book closes with earl s reply to wright and readers are encouraged to continue the debate
